

Welcome to Pre-K

Welcome to Pre-Kindergarten!

Our Pre-kindergarten classrooms are exciting, fun, and full of energy. We are all supportive partners in your scholar's education. Our goal is for our program to include a balance of teacher instruction and purposeful play that helps scholars explore and discover. Included is a list of supplies each child should bring on the first day of school. Thank you and we cannot wait to meet you in September!

Sincerely,

The Pre-Kindergarten Teachers
